\$1,299,000

4 Bedroom, 2.00 Bathroom, 1,443 sqft

Single Family on 1.45 Acres

Lake Country South West, Lake Country,
British Columbia

Unmatched development opportunity in the heart of Lake Country!! A rare and promising opportunity for developers and investors—this 1.45-acre parcel is designated High Density Residential in Lake Country's Official Community Plan, positioning it perfectly for future development. Ideally situated just one block from the main commercial corridor, this property offers the best of both worlds: walkability to groceries, restaurants, and schools, yet nestled in a peaceful, tree-lined setting bordered by orchards and mature greenery. The lot features a gently sloping topography and convenient access to sewer infrastructure at the highway, supporting a variety of multi-family or high-density residential development possibilities. While the existing 4-bedroom, 2-bathroom home is livable and currently tenanted, the true value lies in the land and exceptional location. (id:6289)
