Welcome to the Olive P where drama meets design! Crafted by Carrington Homes, this stunner was made to impress. Step inside to a bold yet neutral palette that whispers sophistication. The open-concept main floor is an entertainer's dream featuring a chef-inspired kitchen with a massive island and a double fridge/freezer fit for a feast. Hidden gems like a sleek butler's pantry and mudroom keep things effortlessly tidy. Ascend to the upper level and be wowed by the grand primary bedroom's tray ceiling, spa-like ensuite, dual vanities, and a walk-in closet that basically begs for a shopping spree. Two more spacious bedrooms, a full bath, and bonus room round it out. But wait—there's more! The partially finished basement is perfect for cozy movie nights with an electric fireplace and is roughed in for future potential development. The Olive P isn't just a home—it's a lifestyle.
