Then be sure to take a closer look at this priced-to-sell gem of a home. The floor plan optimizes living space with an oversized living room at the front of the house that gets plenty of natural light. The kitchen is well laid out, has a large double sink and is finished with stainless steel appliances. Laminate flooring throughout makes cleaning a breeze. And to add to the excitement, the furnace/AC was switched to a Heat Pump (15k value) less than 6 months ago! The bathroom was also updated in the last 6 months with a new toilet, sink and mirror.
